All tanning is accepted at the owner's risk. **THE FLAGG GROUP, INC.** has no control over any skin prior to our receiving it for tanning. Many factors have a definite effect on the final results of tanning, such as primeness, time of year, climate conditions and the care given in the field. Occasionally, a skin will not tan or goes to pieces during the tanning process due to improper handling prior to delivery to us or a defect in the skin over which we have no control. For these reasons, **THE FLAGG GROUP, INC.** cannot assume any responsibility or offer any guarantee of the tanning of the skin.

## Shipping Instructions

Shipments of foreign game trophies should be consigned to **THE FLAGG GROUP, INC.**

Dallas / Fort Worth (DFW) International Airport is a designated port of entry for the US Fish & Wildlife Service and the US Department of Agriculture.

The shipment should be addressed to:

**Hunter's Name**  
c/o **THE FLAGG GROUP, INC.**  
**2827 NAGLE STREET**  
**DALLAS TX 75220-4529 USA**

Shipments must be accompanied by the proper documents:

**Packing List** showing each animal and includes both the common and scientific name.

**Original Export Permits** for each animal in the shipment.

The permits must be signed by the game management authority of the country of origin. All animals listed on

**Appendix I, II, and III to the Convention on International Trade in Endangered Species (CITIES) of Wild Fauna and Flora** require an Export Permit.

**Veterinarian's Certificate** stating that the animals contained in the shipment were free from disease and properly treated with insecticide.

**Import Permits** for any animal listed on **Appendix I of CITIES** and threatened with extinction (eg leopard, rhino, etc).

This permit must be obtained from the US Fish & Wildlife Service permit office prior to the importation of such animal.

The original permit must be surrendered at the time **THE FLAGG GROUP, INC.** clears the shipment.

After returning from your hunt, please notify us prior to the shipment's arrival.
